## Joining the Sixth form at Southfield School

Application information for admission to Southfield sixth form, including students currently attending the school, is detailed in the sixth form prospectus. Application must be made via the process set out on the website.

A student will only be allocated a place in the sixth form if they meet the academic entry requirement criteria as specified for each subject.

Admissions to the sixth form will be from:

- Students in Year 11 at Southfield school
- Students from outside Southfield school

### Admissions policy for external students

Students applying for entry into Southfield sixth form (external applicants) in September 2018 must be aged 16, 17 or 18 on 31<sup>st</sup> August 2018. They must also be eligible to apply under UK residency regulations as set out in the Education (Fees and Awards) (England) Regulations 2007. Supporting documentation will be requested where appropriate.

Under Department for Education regulations, up to 25% of the sixth form roll can be male.

Students with a statement of special educational needs which names the school as appropriate provision will be admitted regardless of the number of applications received.

In the event of over-subscription, places will be offered to applicants fulfilling the entry requirements as described above according to the following criteria:

1. Students in public care (looked after children) or a student who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order.
2. If an applicant has a sibling already in the school, who lives at the same address and who will be continuing at the school for the next academic year.
3. The distance of the applicant's home address from school will be measured in a straight line with the closest having preference.

NB. a) A looked after child is a child who is:

- (i) in the care of a local authority, or
- (ii) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989)

b) Sibling refers to:

- (i) a sister or brother sharing the same parents,
- (ii) a half-sister or half-brother where two children share one parent,
- (iii) a step-sister or step-brother where two children are related by a parent's marriage or partnership.
- (iv) adopted children
- (v) a brother or sister must be living at the same address at the time the application is made

c) Distance will be measured on a straight line basis from the school to the home address using a geographical information system

- e) Places offered will be dependent on confirmation of attainment after results day in August 2018
- f) Places will be allocated to both male and female applicants in accordance with the oversubscription criteria detailed above. Once the quota of 25% male students is reached, any remaining available places will be allocated to female applicants
- g) Late applications will be accepted and considered in accordance with the above criteria on set dates which will be notified at the time of application.
- h) A waiting list will be kept open until the end of Term 1 2018 and any places offered from the waiting list will be allocated in accordance with the oversubscription criteria.
- g) Unsuccessful applicants will have the right of appeal to an independent panel.
